

On the lookout to inform residents of how to properly recycle & dispose of household waste.

Volume 6 - Issue 2

REUSE Heart & Sole - Annual Shoe Collection

The Boone County Solid Waste Management District is sponsoring their annual **REUSE Heart & Sole** program from **February 6-22, 2016**. REUSE Heart & Sole is a District wide shoe collection event where we can provide shoes to a new pair of feet! The truth is that discarded shoes can take over **200 years** to decompose in a landfill which is a shame when there are so many people in need of shoes locally, nationally and all over the world. The shoes collected will be reused right here in Central Indiana through an organization called, ðChanging Footprints.ð Please donate your shoes at the following collection sites:

Participating Schools - Shoes are to be donated through a student at these locations.

Western Boone Jr. Sr. High School	Lebanon Middle School
Perry Worth Elementary	Central Elementary
Trader's Point Christian Academy	Sheridan Middle School
Sheridan High School	Zionsville Community High School
Zionsville Middle School	

Public Collection Sites:

Thorntown Public Library	Boone Co. Solid Waste District Office
Boone County Annex Building	Worth While Kids - 4H Group
Lebanon Rotary Club	Boone County Courthouse Rotunda
Akard's True Value Hardware	Hussey Mayfield Memorial Library
Zionsville Town Hall	SullivanMunce Cultural Center
Country Market	Lebanon City Building
Zionsville Christian Church	Lebanon Public Library

SHOES MUST BE IN PAIRS & IN REUSEABLE CONDITION!!!

How Can I... Recycle a Tire?

The District advocates when you are replacing the tires on your car, tractor, etc. that you pay the nominal tire disposal fee. This will ensure the tires are recycled or at the very least disposed of properly. Tires left out can become a public health risk as they are an ideal breeding ground for mosquitos.

If you have a collection of old tires, please consider disposing of them at one of the many local tire shops or participate in the District's upcoming collection event on Saturday, April 30 from 9am-2pm at the Boone County Highway Dept., Lebanon.

Tire limits:

4 Vehicle or Truck Tires

2 Tractor Tires (Maximum 54")

Combination thereof (4 Tires Maximum)
